Prairie Circle Neighbourhood Garage Sale

Earlier this July, Fundhomecare hosted a successful and eventful garage sale on Prairie Circle! The beautiful day was filled with sunshine and support from our local neighbours! Our day began bright and early at 8:00AM with our FHC volunteers, and thrived successfully until 2:00PM. The sale consisted of many item donations from FHC volunteers, Prairie Circle neighbours, and other supporters! Ranging from books, clothes, appliances, kitchenware, glassware, home decor, furniture, children games, and even complementary lemonade and coffee, our garage sale had it all!

With your help we were able to raise $725 along with the bottle drive exceeding our goal of $500! Thank you to our dedicated volunteers for another hard-working day! Most of all, thank you to our local neighbours for the tremendous support throughout the year. Stay tuned for more upcoming FHC events!

Beneficiary Spotlight

"My dad was diagnosed with terminal lung cancer in August 2021. At the beginning of his cancer journey, my sister and I were the ones providing 24/7 care for him. We had to both take a break from our jobs for 15 months. Our entire lives were put on pause. Then, by some miracle, in March 2024; we were introduced to Fund Homecare Canada. They helped us restore some sense of normalcy in our lives. We were able to return to our jobs because of the support provided by FHC regarding hospice care.

We will eternally be grateful for the support and love our dad received during this dark period of our lives. Thanks to Fund Home Care, we were able to fulfill our dad's last wishes to stay in his own home surrounded by the people he loves during his last days on Earth. Once again, this was only possible due to the support and love you guys have shown us, so from the bottom of our hearts, we thank you."
