MAY SPRING GALA RECAP

Our 3rd Annual Spring Gala held earlier this month was a great success! With the return of our Spring Pageant, a 360 camera, a photo booth and a variety of games, the night was brimming with fun and laughter! Kudos to DJ Kaya and MCs Mark D'Silva and Melvin DSouza, who ensured the event ran smoothly and the dance floor was pumping!

A huge thank you to our gracious benefactors and everyone who donated to the cause! At the event, we were glad to have recognized a few key folks for their support, namely Dany Marcuzzi, Dheer Kumar, Hycinth and Raj Vishwanathan, Knights of Columbus 12706, Joseph Brant Oncology Palliative team and Gavon Transport Ltd.

With your help we managed to raise **\$18,500** towards our goal of \$20,000. This event could not have run as smooth as it did without the help of our dedicated volunteers who worked tirelessly to bring you an meaningful evening of fun and community. Overall, the event was a great success! Stay tune for more FHC events coming your way!

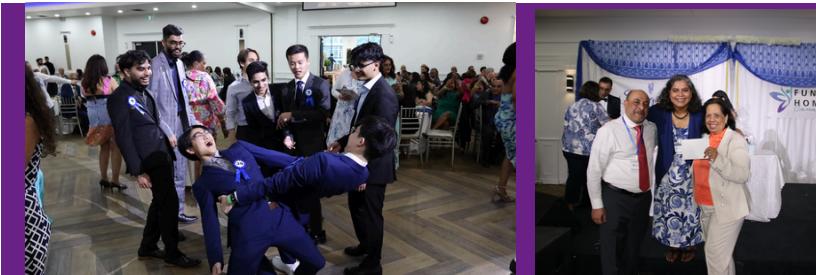

MONTHLY BOTTLE DRIVE

NEXT DAY: JULY 6

This month, our Prairie Circle neighbourhood bottle drive raised an amazing \$73.50! We thank you for your amazing support!

Our next bottle drive will be on **July 6**. If you are interested in donating, please contact Adelle D'Silva (647-461-1207) for more details.

Introducing the FHC Co-Founders: Rohit Bhalla & Denise D'Silva

Known for his innovative problem solving, Rohit's passion for a better tomorrow drove him to address one of the most prominent gaps in Ontario's healthcare: home-based palliative care for Cancer patients.

Denise's drive to start Fund Homecare was accelerated by the fact that many people in our community are low income and cannot afford the resources to help them care for their loved ones.

Monthly Giving Campaign

The Monthly Giving Campaign aims to raise donations every month to achieve FHC's annual Fundraising Goal of \$100 000.

Your monthly contribution of \$25-\$50 could provide 1-2 hours of PSW support to a family with a patient needing palliative cancer care and support. Every hour adds up and your contribution could make all the difference.
